

Dejavoo Z8

Process Fast, Secure In-Store Credit Card Transactions

The Z8 countertop payment terminals provide an easy to use EMV payment experience for every business owner. With “On screen Help”, easy access to frequently used options in the “Favorites” Menu, and a simple “Call Me” button to request a support representative callback, business owners love how easy it is to use.

Customize your Dejavoo payment device with a logo on the display. Upload multiple images programmed to scroll while the terminal is in idle mode.

BENEFITS AT A GLANCE

- EMV and NFC Contactless built-in
- Built in Loyalty Program
- Tri-comm capability (Dial, IP, & WiFi)
- Display logo on the screen and print logo on the transaction receipts
