

# OMNI-CHANNEL POS SOLUTION

## Integrated POS Solution Designed to Streamline Businesses

The APEXNow platform brings value-added features to the payment processing space. Our platform includes mobile and online ordering capabilities, value-added rewards programs, inventory management and much more.

### ACH

Offer a reliable alternative to paper checks and credit card payments.

### CONTACTLESS PAYMENTS

Accept contactless payments, with e-receipts, for a safe shopping experience.

### EBT

Easily integrate and accept EBT payments to help increase profit.

### DISCOUNTS

Give loyal customers a discount for paying with cash, while increasing profit.

### GIFT AND LOYALTY PROGRAMS

Electronic gift and loyalty program to help increase consumer loyalty.

### HOSTED PAY FORM

Integrate seamlessly on websites to create "Pay Now" buttons to capture payments.

### INSTANT BOARDING

Boarded quicker to help generate portfolio volume.

### INVENTORY MANAGEMENT

Manage and maintain inventory across any device.

### MOBILE-FRIENDLY

Reach customers at the counter, on the go or curbside from any mobile device.

### ONLINE ORDERING

Receive and process orders from wherever customers search.

### PATT

Providing guests and staff a contactless shopping experience.

### REPORTING

Access reports to analyze and track through a variety of metrics.

### SPLIT PAYMENTS

Easily split payments among suppliers, distributors and much more
