

AGILE FINANCIAL SYSTEMS

Revolutionize the financial technology industry through innovative, all-encompassing payment solutions.

APEX CONNECT

Innovative and secure integration path into a library of feature-rich financial technology solutions.

APEX NOW

Our platform includes mobile and online ordering capabilities, rewards programs, inventory management and much more.

APEX GATEWAY

Easily process payments online safely and seamlessly with AFS' virtual terminal & payment gateway solution.

CASH DISCOUNT

Business owners can collect more of their sales revenue by offsetting processing costs entirely.

MOBILE SOLUTIONS

Keep your business moving and manage long lines during busy times with a mobile point of sale allowing you to accept payments from anywhere in your store.

POINT-OF-SALE SOLUTIONS

Accept credit cards, run your business, and engage your customers — all with AFS supported point-of-sale systems.

Are you ready to start accepting payment today?
