# ALL-IN-ONE GATEWAY SOLUTION

Easily process payments online safely and seamlessly with AFS' all-inclusive virtual terminal and payment gateway solution.

ADVANCED DASHBOARD REPORTING
Real-time data on transaction volume, batches and deposits, as well as perform voids and refund transactions.

HOSTED PAY FORM
Easily configure hosted payment forms that integrate seamlessly on your website to generate "Pay Now" buttons to capture credit card, echeck and cash discount payments.

VIRTUAL TERMINAL
Full featured virtual terminal that turns your computer, smartphone or other device into a terminal to process credit card or echeck payments.

RECURRING BILLING
Easily set up, manage and get insights into all subscription-based or payment plan transactions.

CASH DISCOUNT
Offer a discount to all customers who choose to pay with cash instead of a credit card or debit card.
